

Technical Paint Services Substrate Index

To use the Index simply look for the substrate (surface) to be painted and the options that are available will be listed with the Technical Paint Services product code. Please note this is not our full product listing which can be found in the "Catalogue" pages of our website. For help, please call us on 01202 295570 or email enquiries@technicalpaintservices.co.uk.

Please note that products marked with an asterisk (), are subject to minimum quantities/mixes and are available in limited colours. Please contact us for more information.

<u>Substrate</u>	<u>Product Code</u>	<u>Available Paint or System</u>
ALUMINIUM (bright & anodised)	WBP1030	Single Pack Surface Primer
ASBESTOS or ASBESTOS CEMENT	R10	Chlorinated Rubber Paint
	E27	High Performance Water based Acrylic Emulsion
	EP27	High Performance Acrylic Emulsion Primer
	A49	Oil Based Lead Free Decorative Paint
	AU49	Oil Based Lead Free Undercoat
	AS56	Alkali Resisting Primer White
	A109	Durable High Performance Range
	A146	Solar Reflecting Range
	R1007	High Performance Acrylated Rubber system
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
AQUA BOARD & MOISTURE RESISTANT BOARD	R10	Chlorinated Rubber Paint
	RP10	Chlorinated Rubber Primer (with Zinc Phosphate)
	E27	High Performance Acrylic Emulsion
	EP27	High Performance Acrylic Emulsion Primer
	AS56	Alkali Resisting Primer
	R1007	High Performance Acrylated Rubber Damp Tolerant, Chemical Resistant Paint
	RU1007	High Performance Acrylated Rubber Undercoat
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
ASPHALT	PQ96	Roadline Marking Paint
	A146	Solar Reflecting Range
	A149	Tennis Court Paint, range of colours
	PQ149*	Contract Grade Tennis Court Paint
	PQL149	Tennis Court Line Marking Paint
	WBP1030	Single Pack Surface Primer
BITUMEN	E27	Water based 100% Acrylic Emulsion Range
	EP27	100% Acrylic Emulsion Primer
	PQ96	Roadline Marking Paint
	WBP1030	Single Pack Surface Primer
BITUMINOUS ROOF SHEETS	A146	Solar Reflecting Range
BRICK (unglazed, soft, absorbent)	R10	Chlorinated Rubber Paint

	E27	Water based 100% Acrylic Emulsion & Clear
	EP27	100% Acrylic Emulsion Primer
	A146	Solar Reflecting Range
	R1007	High Performance Durable Acrylated Rubber system
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
BRICK	(Flettons, Commons & Glazed Engineering Bricks)	
	AS56	Alkali Resisting Primer & any coating as brick (above)
	A146	Solar Reflecting Range
	WBP1030	Single Pack Surface Primer
CANVAS	E27	High Performance Water based Acrylic Emulsion
	EP27	High Performance Acrylic Emulsion Primer
	WBP1030	Single Pack Surface Primer
CAST IRON	AMP49	Traditional Oil Based Anti-Corrosive Zinc Phosphate Primer
	WBP1030	Single Pack Surface Primer
CHIPBOARD	E27	High Performance Water based Acrylic Emulsion
	EP27	High Performance Acrylic Emulsion Primer
	WBP1030	Single Pack Surface Primer
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer

CREOSOTE CONTAMINATED SURFACES		
	WBP1030	Single Pack Surface Primer
FORMICA/WEARITE (LAMINATE)	WBP1030	Single Pack Surface Primer
FLASHBAND SEALING	A146	Solar Reflecting Range
GALVANISED IRON (new/bright)	AMP49	Traditional Oil Based Anti-Corrosive Zinc Phosphate Primer
	X85	Mordant solution, <i>then any of the following primers:</i>
	WBP1030	Single Pack Surface Primer
GALVANISED IRON (old/dull)	A49	Traditional Oil Based Lead Free Decorative Paint
	AMP49	Traditional Oil Based Anti-Corrosive Zinc Phosphate Primer
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
GLASS	A5	Anti-Glare Solvent Based
	E6	Anti-Glare Water Based
	A49	Traditional Oil Based Lead Free Decorative Paint
	A109	Durable High Performance finish
	A146	Solar Reflecting Range
GRP ROOF SHEETS	A146	Solar Reflecting Range
IRON	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
	AMP49	Traditional Oil Based Anti-Corrosive Zinc Phosphate Primer
K REND RENDER	A1040	High-Build Multi Surface, Multi-Purpose Paint. Older surfaces should be cleaned and pre-treated with a fungicidal wash prior to application.
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
LEAD	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
	A109	Durable High Performance finish
	A146	Solar Reflecting Range
LINOLEUM (Lino)	A30	Heavy Duty Floor Finish Alkyd
MAKROLON	WBP1030	Single Pack Surface Primer
MARBLE	WBP1030	Single Pack Surface Primer
MASONRY	R10	Chlorinated Rubber Paint
	A146	Solar Reflecting Range
	R1007	High Performance Durable Acrylated Rubber system
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer

		system
	AMP49	Traditional Oil Based Anti-Corrosive Zinc Phosphate Primer
	AU49	Traditional Oil Based Lead Free Undercoat
	AP79	Universal Primer
	A109	Durable High Performance finish
	A146	Solar Reflecting Range (for Zinc upstands – may need priming)
	R1007	High Performance Durable Acrylated Rubber system
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
		On rusted metal use FERTAN a converter and remover of rust
METAL RAINWARE	A146	Solar Reflecting Range
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
METAL ROOFING SHEETS (previously coated)	A146	Solar Reflecting Range
NATURAL STONE	A146	Solar Reflecting Range
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
NYLON		Please call for advice.
	WBP1030	Single Pack Surface Primer
PAPER	E27	High Performance Water based 100% Acrylic Emulsion
	EP27	High Performance 100% Acrylic Emulsion Primer
	WBP1030	Single Pack Surface Primer
PAREX RENDER	E27	High Performance Acrylic Emulsion. Surfaces should be weathered for 3 years, cleaned and pre-treated with a fungicidal wash prior to application

	AFPM1045	High Build Metallic Metal Primer
POLYCARBONATE	A146	Solar Reflecting Range
	WBP1030	Single Pack Surface Primer
POLYPROPYLENE (rigid)	R10	Chlorinated Rubber as a topcoat. Always test first.
POLYSTYRENE SHEET EXTRUDED	WBP1030	Single Pack Surface Primer
POLYSTYRENE FOAM EXPANDED	E27	High Performance 100% Acrylic Emulsion Paint
	EP27	High Performance 100% Acrylic Emulsion Primer
POLYURETHANE (foam)	WBP1030	Single Pack Surface Primer
POWDER COATED METALS	WBP1030	Single Pack Surface Primer
	A146	Solar Reflecting Range (where surface is sound)
PVF2	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
	A109	Scuff and Durable High Performance finish
	A146	Solar Reflecting Range
	WBP1030	Single Pack Surface Primer
	A1040	High Build Multi Surface, Multi-Purpose Finish
	AF1045	Farm Oxide Mid-Sheen Finish
	AFPM1045	High Build Metallic Metal Primer
QUARRY TILES	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
	AU49	Traditional Oil Based Lead Free Undercoat
	AP49	Traditional Oil Based Lead Free Primer
	A109	Durable High Performance finish
ROUGH CAST (render)	WBP1030	Single Pack Surface Primer
RUSTED METAL		On rusted metal use FERTAN a converter and remover of rust
	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
SLATE	R10	Chlorinated Rubber Paint
	A49	Traditional Oil Based Lead Free Decorative Paint, Primer & Undercoat system
	AU49	Traditional Oil Based Lead Free Undercoat
	A109	Durable High Performance finish
	A146	Solar Reflecting Range
