TECHNICAL PAINT SERVICES

A147 SQUASH COURT EGGSHELL FINISH

Features:
A tough, durable finish suitable for Squash Court walls. More contemporary construction materials such as *Armourcoat* and *Rebound* should not be painted and we recommend that the original installation company be contacted for maintenance advice specific to these materials.

Availability:
In standard White with other BS4800 colours available, in 5.0 Litre containers. Please note our products are made to order and it may take 5-7 days before shipping.

Volume Solids:
55% ± 3% (BS 3900 Part A10).

Preparation:
The substrate must be thoroughly clean, dry and free from dust and grease. Apply over AS147/5/4 Squash Court Acrylic Primer, White.

Application:
Brush, roller, conventional or airless spray. Supplied ready for use for brushing. Thin up to 25% by volume using UTR112 Universal Synthetic Thinners to achieve a spraying viscosity of 25 – 40 seconds BSB4 cup @ 20°C. Apply two coats allowing overnight drying between coats.

Coverage:
Approximately 40 sq metres per 5.0 Litres.

Drying:
Touch dry:	20 - 30 minutes @ 20°C.
Hard dry:	Overnight.
Optimum hardness:	7 days prior to using the court.

Health & Safety: Please see MSDS sheet **100D4**.

Note: For internal work, maximum ventilation is required. To assist drying if the air flow is insufficient, fans or other mechanical methods of circulating air should be adopted. Precautions must be taken to prevent operators from inhaling the vapours during application.

The foregoing information is given in good faith, based upon tests and experience. It should be noted that recommendations are made without guarantee, as the use of this product is beyond our control.
See Standard Conditions of Sale.

The majority of our products are for professional and trade/contractor use only and are not intended for DIY application. Before using any product, please read the appropriate Material Safety Data Sheet and carry out a full risk assessment for the intended use and method of application.
