

TECHNICAL PAINT SERVICES

Quality Management Statement

Our history, evolution and breadth of problem-solving define the quality of the service we deliver. This service defines our Quality Management Policy Statement:

- Technical Paint Services recognise that our products have value only if they contribute to the solutions required by our customers.
- Technical Paint Services endeavour to fully understand the needs of our customers in order to ascertain accurately their exact requirements.
- Technical Paint Services work proactively to improve the quality of our services in order to offer our customers the high level of quality that they demand.
- Technical Paint Services (will) review our quality management system on an ongoing basis and continually strive to improve its effectiveness as part of our commitment to quality.
- We believe the calibre of our [Client List](#) says more about our commitment to quality than we can.
